Objective

A computer engineering sophomore Class of 2022 looking to obtain an externship or internship in the fields of software engineering, computer engineering, and information technology.

Education

Virginia Tech Blacksburg, VA

Pursuing Bachelor's in Computer Engineering

Dean's List with Distinction

Expected Graduation: Spring 2022

Current GPA: 3.53/4

Fall 2018, Spring 2019

Work Experience

Target Guest Services/Cashier/Front End Attendant

August 2017 - Present

- Handled several dozens of transactions a day efficiently and timely improving customer satisfaction.
- Improved the general conditions of the front end of store by upkeeping the quantities of goods, and improving the store flow by directing customers to cashiers or through the store
- Often took a supervisory role monitoring the front of the store to assist the 5 – 10 front end coworkers and dozens of guests to maintain an effective operation.

Extracurricular Activities and Volunteer Experience

Society of Asian Scientists and Engineers (SASE)

President

March 2020 - Present

- Guiding a board of 12 officers to provide professional and social development of our nearly 100 paid members, 350+ readers of our emails, and the officers themselves
- Communicated with companies such as Capital One and Excella to provide professional development workshops such as information sessions, Agile, and resume/interview reviews.

Secretary

September 2018 - March 2020

- Manage and sent a bi-weekly email to more than 350 active readers on updates and upcoming local and national SASE events using the MailChimp platform.
- Optimized communication between officers and worked to improve workflow by increasing documentation for more reachability and to decrease miscommunication

Boy Scouts of America (BSA)

September 2008 - Present

Eagle Scout

- Highest rank in BSA demonstrating leadership, service, and spirit.

Project Manager

- Led 45 volunteers on a service project to overhaul 450 ft² of a church's exterior landscape by replacing the dirt and plants, installing a bed line, landscape timber, and mulch to maintain the additions.
